Table Runner with Country Charm Initials.

This amazing project was made by Bobbie Berry from Memphis. Bobbie, thank you so much! Bobbie embroidered the ABC initials from **Country Charm Cutwork Font** and then sewed this gorgeous table runner from the embroidered linen, a piece of light pink cotton and decorated the seams with white lace trim:

Tips:

1. For cutwork designs, it's absolutely foolproof to choose thread color in similar color family with the basic fabric. It may be the same color, darker or lighter shade. Also, if you want the cutwork design to look nice on both sides (back and front), you may use **Matching Top & Bobbin Thread** for this:

2. Use the strongest water-soluble backing you can find. We use **Stabilize PRO WSB**. You may get it here.

3. Cutwork initial used to personalize this project, is part of **Country Charm cutwork font**. The entire alphabet can be purchased here.
